

NEWTOWN MIDDLE SCHOOL

Please join us for a special celebration!

Dear Parents and Guardians,

May 3, 2017

Newtown Middle School is looking forward to celebrating the accomplishments of our students. To ensure that we appropriately recognize the efforts of our Grade 8 Students we have made some changes to our Moving Up Program.

We will continue the tradition of recognizing the academic achievements of our students, along with individually recognizing each student during the program. This year we will hold our celebration at Newtown High School in the Gymnasium on **Wednesday, June 14, 2017**. Please refer to the schedule below, as we will host two programs to accommodate all of our guests. **The bleachers are for our guests; the chairs on the floor are for our students & staff.** Each program is scheduled to last about an hour.
